- Peter Rand

According to MapQuest, 788.34 is the total mileage that separates New Mexico and Los Angeles. Curated by Bryan Konefsky, *788.34* features moving image art from both cities. This screening and talk will open with films by students from **Albuquerque Academy, Public Academy for Performing Arts** and **YDI's *Mi Voz* program**.

For festival information, visit www.basementfilms.org/experiments.html

This event is in conjunction with ***West-Southwest: ABQ-LA Exchange***, one exhibition in two cities featuring artists from diverse backgrounds and communities. Concurrent installations will be on view on both floors of 516 ARTS (April 4 - May 16) and at LA Artcore's two locations at Union Center for the Arts and the Brewery Annex (April 1 - 30). The *788.34* video program will be on view throughout the exhibition in both cities.
